## Notes:

- 1. The above results for the Quarter ended 30th June, 2013 has been reviewed by the Audit Committee and taken on record by the Board of Directors in its meeting held on 14.08.2013.
- 2. The Operation of paper factory at Bilaspur is under suspension since 6th October, 2010 because of pollution control issues. Efforts are being made to comply with the norms and alternate means are also explored to start the factory along with new paper mill and power plant. In view of future plans and valuation of fixed Assets of the company, no impairment is envisaged by the management which is mentioned in the auditors report.
- 3. The net worth of the company is fully eroded. In view of continuous losses and non operation of the paper factory, the company has not been able to meet some of its obligation towards loan and interest payments. However based on the continuous financial support by a promoter company and the future outlook, the company maintains the going concern concept.
- 4. Segment reporting as defined in Accounting Standard 17 is not applicable, since the operation of the company relates to only one segment i.e. Paper.
- 5. Corresponding figures of the previous period / year have been regrouped to make them comparable, wherever necessary.

On behalf of the Board for Agio Paper & Industries Ltd.
